

# ABOUT ME

A little about me... I graduated from Texas State University way back when it was Southwest Texas State! I am married and have 4 kids, and we all live in Georgetown. I have been teaching for 19 years, all of them in Hutto, and all in first or second grade!

I believe that children learn by doing and strive to give my students as many hands on and real world experiences as possible. I integrate technology into my lessons often and use project based learning in my classroom. This is an approach that involves students in learning, group work, and solving problems together.

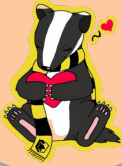

I know this year will be different, but we are going to work together to make it the best it can possibly be for our little ones. I love teaching, and I know we will have a great year!!

# FAVORITES

Harry  
Potter!!

Snack:  
Pringles,  
cashews,  
Chex Mix

Hobby:  
Reading,  
shopping
