

DIRECTOR'S LETTER: #ONEVISION LOOKING BACK 2022

Howdy, HEF supporters!

When we look back at 2022, we can't help but smile because of the impact we've had in Hippo Nation. We are reminded that our community is one that values education and cares for teachers and students in our district. HEF had a year full of success with focused fundraising and enjoyable events - all that were embraced and supported by our donors. We created lasting change through progress. Large or small, every action creates a ripple. And, soon there is a wave. For 2023, we plan to #MAKEWAVES in Hutto ISD. A well known teacher, Katie Simpson, once said, "The river is not lost when it joins the sea; vaster, wilder, it flows on. Why would it be different for us?"

This quote reminds us to keep making waves in our daily doings, to focus on the mission and do what we can each day to inspire creativity, fund innovation and provide encouragement to teachers and students who face adversity every day.

THANK YOU to our corporate partners and community of supporters - with your support, we are able to inspire tomorrow's leaders and help make Hutto a district that is far better than the rest. Join us as we #MAKEWAVES in Hippo Nation!

Take care,
Claudia Cardwell
Director, HEF

ABOUT US

For over 15 years, the Hutto Education Foundation has provided funds to support our teachers and students to bring innovative educational strategies to Hutto ISD. Founded in 2006, community leaders joined forces with Hutto ISD to encourage excellence in education through the direct connection and involvement with local businesses and community organizations. The need to support students with programs not funded by traditional tax dollars led to the formation of the 501(c)3, Hutto Education Foundation.

MISSION

The Hutto Education Foundation partners with Hutto ISD to enrich, enhance, and maximize the quality of education for all students by providing grants and scholarships to teachers, staff and students for programs not funded by the state.

HEF acknowledges and rewards exemplary teaching and encourages collaboration to maximize parent/teacher participation throughout each level of education.
