

As you turn in from Carl Stern, all traffic will take an immediate right turn, then turn left into Row A. All parking spots with a blue mark are designated parking spots for Little Hippo parents and staff. If you park in one of the spots in Row A, you are able to take a left at the end of Row A to follow the orange arrows out of the parking lot. If you park in one of the blue spots in Row B, then you will have to follow the flow of traffic to the drop-off location of Nadine Johnson students before following the orange arrows to exit the parking lot.
