HEALTH REMINDERS

Please contact the campus nurse if your child is experiencing Covid like symptoms after a close contact or if your child tests positive for Covid 19. Please remember, while our district safety plan does not require a 14 day quarantine after a direct exposure, we do ask parents to closely monitor students for symptoms. Those that choose to self quarantine based on an exposure will have absences excused. While we do not have a virtual option for quarantine periods, please contact your child's teacher for assignments they can do while at home.

DON'T FORGET...

- **If you have a transportation change request for your child, we must receive it BEFORE 1:30 PM.** If you call after 1:30, we cannot guarantee the change will occur due to the nature of the end of the day and the time it takes to get messages out. Thank you for your understanding and for following our end of day procedures. All transportation changes should be emailed to hess.receptionist@huttoisd.net by 1:30 each day.
