

HES Hippo Happenings-Parent Edition

Week of November 29th

Campus News

Hello HES Families-

Hope everyone had a wonderful holiday week!

It is hard to believe we now only have three weeks left in the semester.

Thanks to our PTA and generous donors, River City Heavy Haul LLC and Gorge Ramos, each of our students and staff members received a water bottle on Friday before the Thanksgiving break.

Thanks to everyone that donated a pie as well. We had over 70 pies donated, and each of our staff members went home with a pie for Thanksgiving.

We are beyond grateful for such a wonderful PTA and such supportive parents.

Orange Santa Food Collection Success!!!

What a great accomplishment! Thank you for your support!
Student Council did a great job collecting and tallying packets each day.
The grand prize winner is 2nd grade.
They collected 1,020 packets of gravy and will get a popcorn party.
Thank you, HES Families, for supporting Orange Santa!

Health Reminders

Please contact the campus nurse if your child is experiencing Covid like symptoms after a close contact or if your child tests positive for Covid 19. Please remember, while our district safety plan does not require a 14 day quarantine after a direct exposure, we do ask parents to closely monitor students for symptoms. Those that choose to self quarantine based on an exposure will have absences excused. While we do not have a virtual option for quarantine periods, please contact your child's teacher for assignments they can do while at home.

Don't forget...

- If you have a transportation change request for your child, we must receive it **BEFORE 1:30 PM**. If you call after 1:30, we cannot guarantee the change will occur due to the nature of the end of the day and the time it takes to get messages out. Thank you for your understanding and for following our end of day procedures. All transportation changes should be emailed to hes.receptionist@huttoisd.net by 1:30 each day.
