**Student:** I have described myself honestly in this application. I understand that most of the team's meetings will be after-school, I understand that my acceptance to, and continuation with, the Robotics Team depends on how I demonstrate responsibility in this project, behavior and in the rest of my schoolwork, **any referrals/ continued behavior problems will determine continued eligibility.**

**Parent:** I understand that my child is applying for the CCES Robotics Team, which will require practice time after school on Thursdays till 4:00 and no transportation will be provided. I understand that my child will need to be picked up on the west side of the building. **If your child is picked up late after 3 times, your child will no longer be allowed to participate in robotics.**
